NOTE:

- A merge field that involves payment in the Folio, will appear blank if there aren't any transactions in the Folio yet.
- To display a complete folio list of Charges, Rents, and Payments , use **'Display All Folio Items'** .
- If you have post dated charges such as, a spa or transportation charge, but will let night Night Audit post the RENT charges (most common), then use the **'Display All Folio Items'** for the charges posted in the folio. To display the Room Rent Charges use the **'Daily Rate Grid'**.

Letters Setup

To start using Merge Fields:

- **Open Letter:** choose the Letter you want to edit by clicking on the Letter I.D. The Letter will open in an Editor
- **Editor Toolbar:** The toolbar at the top has many features you can use to customize your Letter including Merge fields used to place booking, financial and guest information from your records and transactions.
- **BookingCenter "globe" icon:** To see a list of merge fields, click on the "globe" icon in the top left corner of the editor.
- To insert the value of the merge field you want, place your cursor at the location in Letter you want it to appear. Then, click on the desired value from the merge fields list.
- To change or edit your Merge fields in the Letter, highlight the field and click on the BookingCenter "globe" icon in the top-left of the editor. Choose the new field from the drop down menu and it will replace the highlighted field.
