RACKCONV Rate From July 26, 2010 To August 1, 2010 **Save**

Once you have selected all variables and pressed Display Rates the Manage Rates window will populate with all current details for that rate as shown below.

Select Rate: **RACKCONV** Begin Date: **26-Jul-2010** End Date: **1-Aug-2010** **Display Rates**

Rate Description: Please select a Rate Plan.

The 'save' box on the left determines if values for those fields are modified during the save process. It is enabled for all fields by default and should only be unchecked if you do not wish to modify a specific field.

Tip: Clicking the box on the right will make all entries for that row the same as the first entry. This can be a real time saver
