

Group Bookings

Go to **BOOKINGS | GROUP BOOKINGS** to see a list of your Group Bookings.

From here you can open the group booking to manage details, add an individual booking or edit booking information.

To see a Group Booking on this List, there must already be a Group and Group Booking Set up.

To create a Group Booking with a new or preexisting Group, go to the [Group Booking Wizard](#) in the **BOOKING TAB** to create a Group Booking. Once the Group Booking has been created, it will appear in this list

You can choose any of the following options to create a sorted list to view your Group Bookings. Or, leave all fields blank and click List to see all Group Bookings.

- Choose a **Date Range** or enter a **Group Name**
- To limit the list, choose **Status**

Sort on: The choose how to you want to sort the list, by Group Name, Group Booking Title, Arrival or Departure Date or Status.

List: Click to see a list of ALL of your Group Bookings.

Once you have located the Group Booking, click on the **Group name** or **See/Add Bookings** to open the [Group Booking Details](#) and [Add Bookings to the Group](#).

Group Bookings

The screenshot shows the 'Group Bookings' section of a software interface. At the top, there are navigation tabs: 'Front Desk', 'Booking' (selected), and 'Reports'. Below these are sub-tabs: 'Arrivals', 'In House', 'Departures', and a 'Search' button. The system date is '09-APR-2014'. The main navigation bar includes 'Booking by Inquiry', 'Booking by Availability', 'Tape Chart', 'Group Booking Wizard', 'Search Bookings', and 'Group Bookings' (highlighted). The 'Group Bookings' section has a title and a search area with fields for 'Begins On', 'Ends On', 'Group Name', 'Status' (set to '--All--'), and 'Sort On' (set to 'Group Name'). A 'List' button is present. Below the search area, it says 'Showing 1-40 of 240 Group Bookings' with a 'Next' link. A table lists the bookings with columns for Group Name, Group Booking Title, Arrival Date, Departure Date, Status, and a 'See/Add Bookings' button for each row.

The Group Booking List appears with the following information:

- **Group Name:** Name of Group. This can be a preexisting Group or a new Group. Edit in [Group Booking Details](#)
- **Group Booking Title:** Title of Event with the Group. Edit in [Group Booking Details](#)
- **Arrival Date:** Arrival date of Group Booking. To edit the Arrival Date, open the [Group Booking Details](#) and go to the [Edit Tab](#).
- **Departure Date:** Departure date of Group Booking. To edit the Departure Date, open the [Group Booking Details](#) and go to the [Edit Tab](#).
- **Status:** Group Booking Status has five status categories: **Unconfirmed, Confirmed, Active, Complete, Cancelled**. Group Bookings default to Confirmed status during the group booking wizard, however you can set the status to unconfirmed as desired. Once any individual booking within a group checks in, the group bookings status goes to Active.

Group Bookings go to status complete in two scenarios:

- a. When all individual bookings have checked out, the group will be set to status complete during the night audit process.
- b. If a Group has no individual room bookings the status will automatically be set to complete during the Night Audit process of the groups arrival date

- **See/Add Bookings:** Click here to open the [Group Booking Details](#) and [Add Bookings to the Group](#). **Add Booking to Group Booking**

All of the [Blue](#) titles in our Search Lists can be used to sort information. Just click on the Title to sort the column.
