Distribute Rooms and Rates Online

The traditional first step to selling rooms online. A GDS connection gives you exposure to all travel agents globally, some high traffic travel sites such as, Expedia, Travelocity, Orbitz, and hundreds of others. And thousands of corporate, government, and institutional travelers. [GDS Distribution](#)

Gain exposure with OTA Connections

Our OTA connections give you seamless connection to sites like Booking.com and Expedia, niche agencies like Mr and Mrs. Smith and Tablet. Participate in OTA Contract Rates to enhance your listing with preferred placement. [OTA Direct Connections](#) and [OTA Contract Rates](#)

Increase visibility with Meta Search

Meta Search sites allow users to search for hotels based not only on name, but also on factors like location, price, and property type. [Meta Search](#)

Leverage Marketing opportunities

Participation in Consortia Programs enables targeted rates to specific markets with corporate and institutional travelers. [Negotiated Rates](#) and [Consortia Programs](#)
