

Airbnb Pending Reviews

The 'Airbnb Pending Reviews' section supports your review activities with the ability to:

- Write host reviews of guests
- Respond to reviews
- View aggregate review data

If there are any pending reviews to look at, they will appear in this section as follows:

The screenshot shows the 'Airbnb Content Management Tools' interface. On the left is a sidebar with navigation links: Home, Listing Management (Manage Listings, Manage Photos, Create Listing), Pending Reviews (selected), and Review Stats. The main content area is titled 'Pending Reviews' and displays a table of pending reviews.

By clicking on the pencil to 'Write a Review'; you are then taken to complete the guest review as follows:

The screenshot shows the 'Airbnb Content Management Tools' interface with the review form open. The form includes a sidebar with navigation links, a 'Guidelines for Airbnb Reviews' section, and a form with fields for 'Guest Cleanliness', 'Guest Communication', 'Respectful of House Rules', and 'Would you recommend this guest to another host?'. There are also text areas for 'Guest Public Feedback' and 'Private Feedback (Optional)'. The form is titled 'Airbnb Content Management Tools' and has a 'Submit' button.

Guidelines for Airbnb Reviews:
All reviews must be written by the host. Airbnb's [Terms of Service](#) prohibit members from having third parties write reviews about other members, which includes software systems sending a canned review not written by the host. Also, you may not publish any review content on third party sites or platforms outside of Airbnb since you are not the owner of the review content, as outlined in Section 5 of our [Terms of Service](#).
