MyPMS Online Documentation

Welcome to the Online Documentation home for MyPMS, our premier Cloud-based property management system. Here you will find information on how to setup, configure, manage and optimize your BookingCenter MyPMS system as well as Release Notes and a complete User Manual.

Begin with the MyPMS System Overview and for properties just getting started, continue to the Getting Started with MyPMS. Current users will find useful topics in the MyPMS Training Guide section with frequently used functions.

For a complete step-by-step guide to MyPMS, go to MyPMS User Manual. To see details and instructions on our selection of Interfaces and Modules, go to Interfaces and Modules.
