# **Rate Grid**

The Rate Grid displays the daily rates for all Rate Plans in a calendar view. The Rate Grid also gives you the ability to change the rate on one date for one Rate Plan. To change a daily rate, see Rate Grid - Daily Rate Change

All changes made to rates in Manage Rates will be reflected in the Rate Grid.

The Rate Grid displays the CURRENT daily rates for all of your Rate Plans. It can be sorted to view rates by Agent and by Date Range. Use the settings in the header above the Rate Grid, to sort the display view. See below.

Rates Tab

## Agent Channels

These include your front desk "MyPMS Front Desk", your website "BookingCenter" and any other online channels you have set up like Expedia and Booking.com. When you choose the Agent from the drop-down list, then you will see all of the Rate Plans allocated to that channel. Therefore, if you choose "All Rates", then you will see a list of all of your rates.

Each Agent Channel displays the Rate Plans allocated to the Room Types in the channel. When you select an Agent Channel to view, then you will see the Rate plans allocated to the Room Types in that channel. If a Room Type/Rate Plan is allocated to more than one channel then it will display in those channels, however any rate changes made will apply to the Rates in all channels. See Allocate Room Types

For Example,

A QUEEN Room Type with RACKQUEEN Rate Plan is allocated to 3 Channels: MYPMS - MyPMS Front Desk, BC - BookingCente" (Booking Engine), BKGDIR- Booking.com

When these Agents are chosen in the "Agent" drop-down list, then the same RACKQUEEN Rate Plan will display under each channel. A change to RACKQUEEN Rate in the Rate Grid will apply to the Rate Plan and therefore update in all three channels.

## **Room Types and Rate Plans**
