MyPMS Online Documentation Home

Welcome to the Online Documentation Home for MyPMS

Here you will find information on how to setup, configure, manage and optimize your BookingCenter MyPMS system

- Start with the **MyPMS System Overview** and **Getting Started with MyPMS.**
- **MyPMS Training Guide** Use to guide you through important features and functions of MyPMS
- **MyPMS User Manual** For a complete step-by-step guide to MyPMS
- **GDS and OTA Connections** For instructions on set up, activation and management of GDS and OTA channels
- **Interfaces and Modules** To see details and instructions on our selection of Interfaces and Modules such as MyCard, Yield Management, Owner's Module and more.

For current updates see, **Release Notes**
