

Booking Engine | Inventory Items and Packages

Inventory Items - View Details

The "Add-ons" page of the Booking Engine displays each Inventory Item you have set to "Sell Online=Yes" with an image, title, short description, and a "View Details" link for each Room Type. The link opens a pop-out window with the extended description and an Image Slideshow. Note: for an Inventory Item to display on the Add-on's Page it must be set to "live". See [Inventory Items](#)

To edit the information displayed on the Add-on's page and the View Details pop-out, use the links below.

The screenshot displays a web interface for a booking engine. A pop-up window titled "Winter Ski Package Package ☆" is open, showing details about a winter ski package, including a 10% discount on the daily rate and two free lift tickets. Below the pop-up, a table lists various rate plans. An orange callout bubble points to the "Winter Ski Package" row in the table, with the text "View Package Details".

Rate Plan	Nightly Average Rate	Adults	Children	# of Rooms	
Corporate Queen rate	\$90.00	0	0	0	SELECT
Military Rate - Queen	\$114.75				SELECT
AAA Rate - Queen	\$125.00				SELECT
Standard Plus - Queen	\$135.00				SELECT
*Winter Ski Package	\$146.50	0	0	0	SELECT
Winter Ski Package	\$172.50	0	0	0	SELECT

Below the table, a "Standard - Two Queen" room is shown with a description: "Spacious room in our main lodge. Two Queen Beds with luxurious down bedding. Balcony on the balcony overlooking the lake. Jacuzzi tub, Bathrooms, Mini-bar and coffee/tea maker included." A "View Room Details" link is provided.
