

MyPMS Release February 15, 2021

This release brings new Kiosk Self Check-in EMV Payment Integration, major enhancements to the Tape Chart, Booking Engine Templates, Tax Exempt Setting, and several bug fixes

MAJOR ENHANCEMENTS

Self Check-in Kiosk [EMV Payment Integration](#)

- The Kiosk Self Check-in process can now automate EMV payments on the kiosk when the guest checks-in. Guest will be asked to swipe/tip/tap their card during the check-in process for payment and/or authorizations. [Learn more](#) about Kiosk Self Check-in. [Contact us](#) with questions or to get started.

NEW Tape Chart Enhancements

- **Booking Payment Status:** We have added an exciting new feature to the Tape Chart giving you the ability to see, at a glance, whether a guest has made a partial, full payment or no payment at all. Each booking will display a small color icon indicating the payment status of the booking. The color automatically changes when payments are made on the folio. [Learn more](#)
- **New Payment Icons on Tape Chart Legend:** You will see new icons for the Booking Payment Status feature on the Tape Chart Legend, helping you easily identify the payment status. [Learn more](#)

NEW Tax Exempt Settings

- **New Tax Exempt Flag:** This flexible new features gives you the ability to enable "Tax Exempt" on Multiple Tax Rates by selecting "Yes/No" on the specific Tax Rate.

Booking Engine Enhancements

- **New Modify Dates Link:** Add "Modify Dates" link next to Rate Plan when Restriction Message is displayed. See [Booking Engine | Select Rooms and Rates](#)
- **Inventory Item/Add-ons "View Details":** We have added a "View Details" Pop-out window with an extended description and Image. See [Inventory Item Images](#)
- **Inventory Item/Add-ons "Image Slideshow":** The "View Details" Pop-out window now displays an image slideshow. See [Inventory Item Images](#)
- **Package Rate Image Slideshow** - The Package Rate "View Details" Pop-out now displays an image slideshow. See [Packages Images](#)
- **Group Booking Engine:** The Group Booking Engine now offers the ability to "Add Phone Number (Required)" and "Address (Not Required)" when a guest makes a booking as part of the group. See [Group Booking Engine](#)

MyGuest Guest Request System Enhancements

- **Request Detail Update:** Now when saving a unique name with a previously used email, the individual request will use the new name while retaining the email address. For example, requests submitted with a general front desk email with multiple users. See [My Guest | Requests](#)
- **Edit Guest Information:** Added the ability to edit and update Guest record from "Search Guests" list. [MyGuest | SEARCH Guests](#)

NEW FEATURES

- **Added Multi Rate Drop down option on Booking by Inquiry Page:** New "Rate Group" display for easy multi rate selection in the Rate Plan drop down when making a new booking. See [Booking By Inquiry](#)
- **Show Yielded rates on Tape chart Rate pop up:** You can now view Yielded Rate Plans available for a Room Type right on the Tape Chart "Rates" option. Just click on the date and when the New Booking pop-out displays, click the new "Rates" button to see a list of Rates. See [Tape Chart - New Booking](#)
- **Added MyCard authorization amounts to Folio payment drop-down:** When connected to MyCard with either a traditional MyCard or EMV MyCARD we now show the authorized amount remaining and if it was authorized on Traditional (T) or the Pax EMV device with a (P)
- **Pre-Auth 1st Night Rate auto or manually:** This new feature allows you to control the number of days in advance of check-in that you want to authorize the credit card on file
- **Assign Room from "Search Bookings":** You can now assign a room to a booking directly on the search booking results screen. See [Search Bookings](#)
- **New Letter Features**
 - **"Show in MyPMS":** You now have the ability to select which letters appear in the drop down list in the Letters Tab of each booking. See [Letters Setup](#)
 - **New Headings and longer Subject Line** for all email letters. See [Add or Edit Letters](#)
 - **CRS Confirmation** added to merge fields.
- **Housekeeping App:** New Housekeeping Requests will now automatically send an email to the property. [Mobile Housekeeping App User Guide](#)
- **Guestcentric:** For properties using Guestcentric, we have added the Room Description Name to the Booking Notes for Promo Rates.
