

Drag and Drop Booking - Tape Chart

One of the most powerful functions of the Tape Chart, is the ability to change the Room of a booking by using the drag and drop feature.

This feature is available to move a booking into a new Room or Room Type using the same booking dates, therefore you will be able to click and drag the booking up and down on the Tape Chart using the same booking dates.

To change booking dates or Rates, go to the [Edit Tab](#) under Booking Details.

In this section

- [Tape Chart Features](#)
- [Customize Tape Chart](#)
- [Tape Chart - New Booking](#)
- [Booking Pop-up Window](#)
- [Bookings Status](#)
- [Marking a Room "Out of Order"](#)
- [Tape Chart | Payment Status Icons](#)
- [Tape Chart | Self Check-in and Check-out Icons](#)

To move a booking to a new Room or Room Type, follow these steps:

- Choose the booking you would like to move, by left clicking on it and holding.

In this example, we will move Leaf, Green from Room 103 to Room 101, in the same Room Type.
