To Add a Group Booking Icon to a Group Booking

An icon can be added to a Group Booking in the [Group Booking Details](#) or in the [Group Booking Wizard](#) when creating a Group Booking. In both places, you will find a setting to choose a Group Booking Icon.

The "Group Icon" drop down list offers you a choice of five icon colors to assign to the Group Booking. All bookings made in the Group Bookings will have the associated icon color appear on the booking in the Tape Chart.

Group Booking Details - Booking Data: Open the Group Booking and go to the Booking Data Tab. In the last section, choose the icon color from the "Group Icon" dropdown list. Click Save.
