

Expedia | EQC Connection

Once you have enrolled with Expedia Partner Central, setup your Room Type and Property Information and communicated the necessary information to your Expedia Market manager, see [Expedia | Activate Connection](#), then you will need to establish an Expedia Quick Connect (EQC) Connection. This is the last step in the activation process.

If you need to enroll with Expedia Partner Central, go to [Expedia | New Account Setup](#)

To find more information about Expedia connectivity solutions please visit <http://www.expediaquickconnect.com/>.

To establish the EQC connection, follow these steps:

Login to www.expediapartnercentral.com, should you need help with this please reach out to hothelp@expedia.com

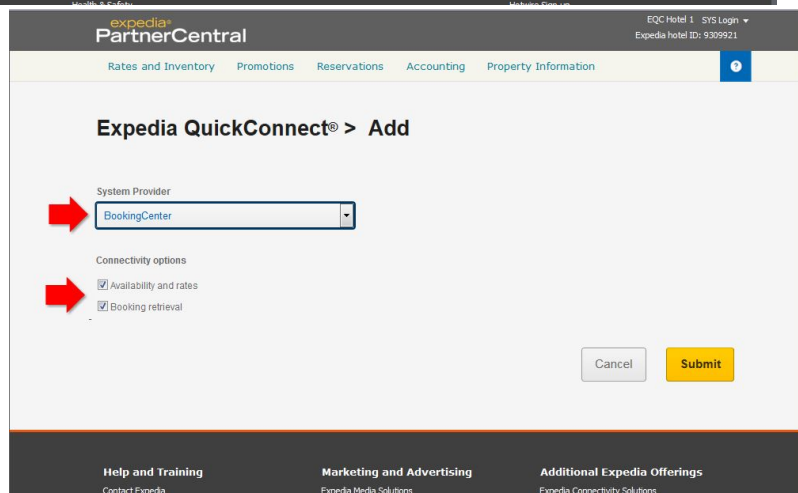

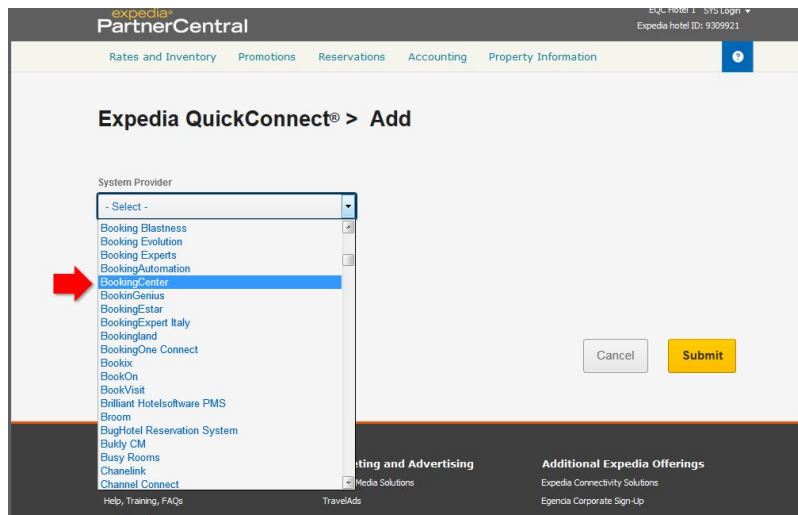

Once logged into EPC, select your hotel.

- Navigate to the the Rates and Inventory tab
- Select **Expedia Connectivity Settings**.

The screenshot displays the Expedia Partner Central (EPC) interface. On the left, a dark sidebar contains a navigation menu with categories like 'Rooms and Rates', 'SETUP', 'MORE TOOLS', 'OTHER EXPEDIA CHANNELS', 'Marketing', 'Reservations', and 'Guest Relations'. The 'Expedia Connectivity Settings' option is highlighted with a red rectangular box. The main content area on the right is titled 'Today's Opportunities' and includes sections for 'Accelerators', 'Reservations', 'Accounting', and 'Looking Ahead'. Below the sidebar, there is a section titled 'Expedia Direct Connection' with a white input field.

If you DO NOT have an Expedia Quick Connection (EQC) (see next step if you need to change system providers)

- Select **BookingCenter** from the System Provider drop down list
- Select the Connectivity Options: "Availability and Rates" and "Booking Retrieval" (AR, BR).
- In the display view, BookingCenter should be listed as the System Provider and "Availability and Rates" and "Booking Retrieval" selected.
- Click Submit.
- Once you have completed the Quick Connection, BookingCenter will receive notification and complete mapping.

If you DO have an Expedia Quick Connection (EQC) and need to change to BookingCenter

- Click the Edit Icon to modify connection.
- Select **BookingCenter** from the System Provider drop down list
- Select the Connectivity Options: "Availability and Rates" and "Booking Retrieval" (AR, BR).
- Click Submit.
- Once you have completed the Quick Connection, BookingCenter will receive notification and complete mapping.

The top screenshot shows the 'Expedia QuickConnect® > Edit' page. The 'System Provider' dropdown menu is open, showing a list of providers. 'BookingCenter' is highlighted with a red arrow. The bottom screenshot shows the same page after selection. The 'System Provider' dropdown now displays 'BookingCenter' with a red arrow. Below it, the 'Connectivity options' section has two checkboxes: 'Availability and rates' and 'Booking retrieval', both of which are checked with red arrows. 'Cancel' and 'Submit' buttons are visible at the bottom right of the form area.

In the display view, you should see BookingCenter listed as the System Provider and "Availability and Rates" and "Booking Retrieval" selected.

The screenshot shows the 'Expedia QuickConnect®' display view. It includes the text 'Set your property up for automated booking, rate and availability information exchange. [Learn more](#)'. Below this, a box displays the configuration: 'System Provider' is 'BookingCenter', and 'Connectivity' options are 'Availability and rates' and 'Booking retrieval', both with checkmarks. A red arrow points to the 'BookingCenter' text. At the bottom of the box is a link 'Download room and rate plan mapping'. Below the box is a link '+ Add another connection'. The footer contains three sections: 'Help and Training' (Contact Expedia, Help, Training, FAQs, Health & Safety, Terms of use), 'Marketing and Advertising' (Expedia Media Solutions, TravelAds), and 'Additional Expedia Offerings' (Expedia Connectivity Solutions, Expedia Corporate Sign-Up, Hotwire Sign-up).
