

Folio: Print/Email Folio

All guest folios can be printed, emailed or export to Excel.

The email and excel formats CAN be edited after it is generated, but the HTML version is a non-writable version and CANNOT be edited.

You can also put an optional logo on the print or email folio options.

The Folio format is standardized and can not be changed, however you edit or add the following information:

- **Hotel Details:** The Folio printout displays the hotel details in the top, left header. This information is pulled directly from the property information in **SETUP | PMS | SITE DETAILS**. To change any of this information, go to [Site Details](#)
- **Hotel Logo:** There is an option to add your hotel Logo to the Folio printout which will appear above the hotel details on the top left of the page. To add your logo, see [Setup](#)
