

# Amenities

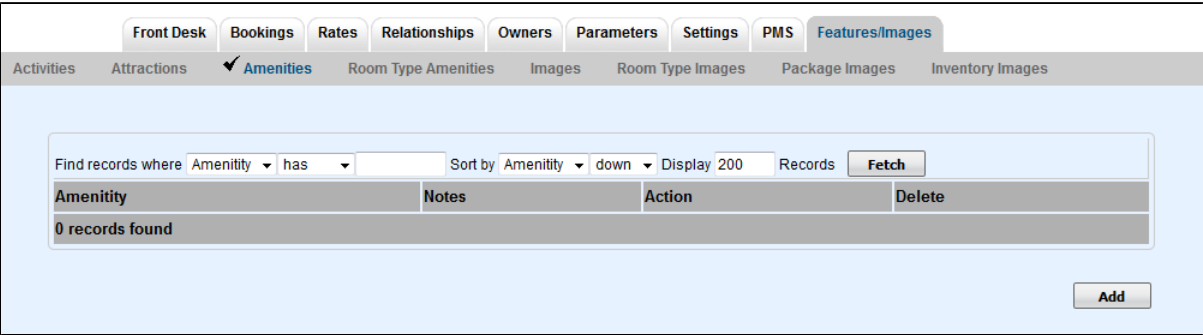

Amenities are a preset list of features that can be chosen for the property such as Coffee Shop or Security Cameras. The Amenities selected for the Property will appear on your Website and GDS listings.

Select as many as possible as these are use to help consumers and agents find properties to book. To to see a list of your Amenities or to add or edit an Amenity go to **SETUP | FEATURES AND IMAGES | AMENITIES**

- If you haven't added any Amenities yet, the Default screen will display with a blank list. See **Figure 1**
- Click **Add** in the bottom right corner to add an Amenity.
- When you click **Add** a list will appear of Amenities. Enter the details and optional notes and click **Add**..See **Figure 2**
- As you add an Amenity, you will see it appear in the list on the page.. See **Figure 3**
- To Edit an Amenity, edit the details and click **Change**.
- To Delete an Amenity, click **Delete**.

In this section

**Figure 1. Add An Amenity:** If you haven't added any Amenities yet, the Default screen will display with a blank list. Click **Add** in the bottom right corner to add an Amenity.

**Figure 2. Add An Amenity:** When you click Add a list of Amenities will appear. Enter the details and optional notes and click **Add**..
