

# Dashboard | Availability

The Front Desk Dashboard displays Availability for Today and for the "Next 7 Days" from Today's date.

The numbers shown in the chart reflect the number of total rooms available on that date. It is exactly the same as the numbers shown on the Tape Chart.

If you are sold out on a particular date the cell will display a zero and shaded red.

To see details of the bookings on those dates, go the [Tape Chart](#)
