MyPMS Release May 14, 2017

Version 3.48

NEW FEATURES

Channel Manager (Management Tool)

- **Rate Grid -** Closed for the day on Rate Grid
- **Agent Relationships**: Transaction fee column now visible for each agent.
- **Booking Details Screen**: The Booking Details for each booking now displays the daily rate.

We are pleased to announce that the following software bugs were fixed in this release:

- Add Charge description truncating last letter with some currencies.
- BC Booking Engine to allow Mastercard Credit Card Numbers starting with the digit "2"
- Deposit made by Credit Card creates second primary folio.
- Sales Tax Discrepancy for certain dates on Mgr Report and Tax Trans. Report.
- Occupancy Report sort by Room Type displays incorrect total.
- Only USD displaying on Rate Management screen regardless of the currency selected
- Hide MAN Rate Plan from drop down list when allocating room type/rate plan in Agent Allocations.
