

GDS Profile - Recreation

Use the Recreation page to enter different types of recreation available at your hotel through a series of specific input fields.

You must select at least one recreation item for each hotel.

Recreation Types include the name and the corresponding OTA Code Value.

Note: (30)

GDS Profile

- Located at: Setup > Property > Recreation
- This section allows for the entry of various recreational activities at or around the property.
- This is an excellent marketing section and recommend completing as many as appropriate.
